

## North Green Snowdrops

### RARE SNOWDROPS FOR SALE BY TENDER

2024

We have a few rare snowdrops for sale. In order to give all our customers an opportunity to acquire these bulbs we are, once again, selling them by tender. Customers are invited to submit a bid for a single bulb of one or more of the three varieties below on this yellow bidding form. **The reserve price in the catalogue is the lowest price at which we will sell any of the above snowdrops.** Please note, in most cases there are only five, or even less, bulbs of a particular variety for sale. Should there be more than one bid of an equal amount, and only one bulb remaining, we shall accept the first bid opened.

Bids for the tender may be submitted by email to northgreensnowdrops@gmail.com or by post, and marking the envelope with the name(s) of the bulb(s).

**No bids will be accepted after 12 noon on Monday 4<sup>th</sup> March 2024.**

Any snowdrops acquired through this venture will be separately dispatched and the whole transaction treated separately from any other order you may have placed.

As we cannot combine these snowdrops with your main order, please note we will add £6.50 to all successful bids towards the cost of First Class postage and packing.

Amount of Tender **in whole pounds only**. Reserve Prices in the Catalogue
